

# FREE MULTI-POINT INSPECTION

## Catch any issues before they result in a breakdown

Brandt Free Multi-point Inspection provides a comprehensive 26-point review of your truck. Our technicians will evaluate repairs that need to be done today and those that can wait. Keep your truck on the road, avoid downtime and protect your investment with our inspections.

### BODY

Inspection of the body of your truck including doors, windows, mirrors, and lights.

### OIL & FLUIDS

Inspection of engine oil, coolant, brake and steering fluids, hoses and belts.

### ELECTRICAL

Inspection of battery, starter, alternator and cables.

### MORE

Inspection of check engine light, driveline, exhaust system, windshield wipers, etc.
