

CERVUS INSPECTIONS

ARE YOU FIELD-READY?

PROTECT YOUR INVESTMENT | AVOID DOWNTIME

BOOK YOUR INSPECTION TODAY!

- ✓ Full review of your equipment to prevent downtime
- ✓ Detailed checklist with findings & recommendations
- ✓ Choose which repair or maintenance items to complete
- ✓ Performed by factory-trained service technicians
- ✓ Ask about our trucking and delivery options

3 Reasons to Choose an Inspection

1. Save money by avoiding downtime and unexpected repairs
2. Routinely scheduled maintenance ensures your equipment performance is optimized to increase productivity
3. Protect your investment and retain resale value

Cervus Uptime Guarantee

We offer a **FIRST-SEASON UPTIME GUARANTEE** on all Cervus Inspection repaired S Series combines.

For customers who complete 100% of recommended repairs, you can rest easy knowing that should a problem arise in your first season of use, we'll fix it within 24 hours or provide equipment on loan until yours is repaired. Loaned equipment will be provided at no additional cost.*

*Valid only if all recommended repairs are completed by our technicians. Some conditions may apply, see dealer for details.

Cervus Certified Protection

We don't limit ourselves to points. Your equipment gets a **COMPLETE inspection, every time.**

- 90 days Warranty on parts and labour from date of first use
- All after hours surcharges included in first season of use
- TechLink customer phone support to assist with technical and operational questions
- Access to over \$21 million in parts inventory at our Cervus locations
- After hours parts on-call and pick-up available
- Real-time access to JD factory representatives with up to the minute solutions
- The most up-to-date diagnostic tools and technology
- John Deere certified technicians with up-to-date knowledge of current equipment under today's seasonal conditions
