# PRECISION AGRICULTURE

## STARFIRE™ 6000 RECEIVER

The StarFire 6000 Receiver implements an improved antenna, the latest in Global Navigation Satellite System (GNSS) signal processing technology, and a differential correction signal.

## AUTOTRAC™ UNIVERSAL 300

The Autotrac Universal 300 with automated setup capability allows you to simply press the calibrate button, drive a few hundred feet and the software calculates the right settings for your equipment.

## 4240 UNIVERSAL DISPLAY

The 4240 Universal Display with enhanced data merging capabilities delivers more on-board/off-board flexibility. Precisely map and operate Section Control.

“WE WANTED TO GET INTO MORE ACCURATE GUIDANCE. THE NEXT STEP FOR US WAS TO GO TO THE JOHN DEERE PRECISION AG SYSTEM. WE HAVE IMPROVED OUR OPERATION AND OUR BOTTOM LINE AND BECOME MORE EFFICIENT.”

**Curtis Riemer**  
Owner/Operator,  
Artesian Angus Farms

# CROP CARE SOLUTIONS

## YIELD FORECAST

Provide insightful agronomic information for you to better understand your crop's potential.

### INCLUDES:

- Eco D3 Clima Hardware
- Subscriptions
- Moisture Probe Install & Removal
- Operation Centre Seasonal Startup

## DISEASE PREDICTION

With additional sensors you will be able to better understand crop stress and potential disease risk.

### INCLUDES:

- Yield Forecast
- Eco D3 DM-EXT Hardware
- Subscriptions
- Prediction Services
- Moisture Probe Install & Removal
- Operation Centre Seasonal Startup

## WEATHER MODELING

Complete zone, field and farm overview of current and future weather events that may impact your bottom line.

### INCLUDES:

- Yield Forecast
- Disease Prediction
- IMT 300
- Subscriptions
- Prediction & Modeling Services
- Moisture Probe Install & Removal
- Operation Centre Seasonal Startup

**A PARTNERED SOLUTION**

# HOME & WORKSHOP PRODUCTS

## AIR COMPRESSORS

You've got that power with a single- or two-stage John Deere air compressor. Blast away dirt. Power air tools. Fix that flat.

## PRESSURE WASHERS

Whether you are washing your car or your combine, John Deere has pressure washer options to meet your needs. Choose between Homeowner/Residential (HR Series), Premium (PR Series) or Hot-Water (AC Series) models.

## PREMIUM SERIES GENERATORS

The PR Series features 3600-, 6000-, and 8000-watt generators and are available with a Mi-T-M OHV engine with low-oil shutdown. All are CSA listed and come standard with engine on/off switch, fuel shut-off valve, and a 1-year limited warranty.

## PORTABLE HEATER

Portable heaters are a quick and effective way to warm up your space. With a variety of sizes and power source options available, you can rely on John Deere's portable heater options.

## PARTS ON-SITE

### *Keep your parts stocked* **WHEN AND WHERE YOU NEED THEM**

#### **SAVE TIME**

Your time should be spent in the field, not shopping for parts. So why not prevent lost time by stocking parts onsite? The next time you need a part, eliminate a trip to your dealer.

#### **SAVE MONEY**

Emergency orders can be costly. But they can be prevented by ordering parts in advance and stocking them on site. Save even more by purchasing parts at sale prices. You may also be eligible for No-Payments/No-Interest financing.

#### **PREVENT DOWNTIME**

Keeping inventory on site will help you avoid downtime while waiting for a part. You'll have the part when you need it, right onsite — so you can stay in the field when it matters most.

# SHOP ESSENTIALS

---

## ROAD BOX

---

The John Deere road box features a reinforced security drop-front panel to protect tools from weather and theft. The unique triangle toolbox keeps tools in place and secure in your pickup or Gator.

## TOOL CHESTS & CABINETS

---

Keep your tools secure and organized with John Deere tool chests and cabinets. Powder-coated steel construction includes heavy-duty ball-bearing drawer slides with a load rating of 100 lbs. per pair. Unique raise-and-release drawer fronts keep drawers closed and secure.

## MAGNETIC PARTS TRAYS

---

Keep all the small pieces in one place and never lose a nut again with magnetic parts trays.

## TOOL SET

---

When you buy John Deere hand tools, you know you are getting quality you can rely on. You can find all the tools you need for all the DIY jobs you have around the house and shop.

## COMBINATION WRENCHES

---

Combination ratcheting wrenches get the job done quicker with no need to remove the wrench from the fastener when tightening or loosening.

## GREASE GUN

---

John Deere offers a variety of grease guns from manual to battery powered, you can find what you need for your shop or home.

## FIRE EXTINGUISHER

---

Cervus equipment carries handheld, portable fire extinguishers in all sizes. Perfect for the house, tractor or shop.

## RETRACTABLE AIR HOSE REEL

---

Reach farther with your air compressor with this 50ft. retractable air hose reel.

## SHOP TOWELS

---

Durable, absorbent, disposable towels for all your clean up needs.

## HAND CLEANER

---

You're going to get your hands dirty, but John Deere hand cleaner will cut through all dirt, oil and grease.

## WINDOW CLEANER

---

John Deere glass cleaner will give your windows and glass surfaces (it's great for use in the house too) a perfect streak-free shine.

## DEGREASERS

---

Multipurpose degreasers will get the job done when you need to clean off used parts, big and small. It cuts through even the thickest dirt and grease while leaving a film-free surface.

## BOLT BIN

---

# *Bolt bin* PACKAGE PRICING

**BOLD KIT  
#1 AND  
BOLT KIT #8**

**JOHN DEERE METAL-BIN  
STORAGE SYSTEM 72-HOLE  
OR 42-HOLE STORAGE BIN**

Purchase the Grade 5 Bolt Kit #1 and Metric Bolt Kit #8 Coarse Thread kits along with a John Deere Metal-Bin Storage System 72-hole (PM15462) or 42-hole (PM15463) storage bin at a discounted price.

## BATTERY CHARGER & STARTERS

Whether your battery is big or small, John Deere has an option for you. Select from manual or automatic chargers with a range of levels.

## BATTERIES

StrongBox batteries fit all makes of heavy and light-duty equipment used on farms, ranches and construction sites. They also fit most lawn and garden equipment, SUVs and ATVs. You can't beat StrongBox for quality and value.

## BOOSTER CABLES

John Deere has 2 and 4 gauge booster cables available for all equipment and power levels.

## BATTERY ACCESSORIES

Cervus also carries a variety of battery accessories like testers, post cleaners, and more.

## SAFES

*You Collect*  
**WE PROTECT**

You can't put a price on safety. John Deere safes come in a range of sizes from small lock boxes to the Deluxe Safe to provide fire and security protection for all of your valuables. All John Deere safes have a lifetime or replacement warranty against break-in, attempted break-in, and fire damage.

# TRACTOR ATTACHMENTS

---

## STEP KITS

---

Easily get on and off your John Deere tractor with this three-position, adjustable step. You can bolt this to the tractor frame and battery box in just 30 minutes.

## ACC. MOUNTING BRACKET KIT

---

Mount, adjust, and position key controls and displays within the cab for maximum accessibility without compromising visibility.

## TOUHCAM™ VOYAGER

---

Delivering live full-colour video of designated blind spots, the Toughcam Voyager offers increased visibility and peace of mind when operating large equipment.

## CABCAM

---

Maximize your visibility with the CabCAM Quad Camera System. This system is constructed to withstand wet, rough and dusty conditions.

## CAB-MOUNTED SUN SHADE

---

Eliminate glare and reduce heat in the cab of your machine with a front or back cab-mounted sunshade.

## INSTRUCTIONAL SEAT

---

Safely have a passenger in your machine by adding the instructional seat to your tractor or sprayer.

## PAR 36 REPLACEMENT LEDS

---

These lamps are a perfect retrofit for any round-housing application. Offered as an alternative to other standard round sealed beam lights on 20-60 Series row-crop tractors.

## ROOF AND HOOD LIGHTS

---

Designed to replace roof and hood lights, these LEDs are brighter than halogens. These lenses are also designed specifically for hood and roof locations.

# OIL & FILTERS

---

## *Semi-Annual* OIL & FILTER SALE

Spring sale: March 15 – April 15  
Fall sale: November 1 – November 30

WATCH FOR DETAILS.

### ANTIFREEZE

---

CoolGard II is a high-performance antifreeze/coolant designed to meet heavy-duty equipment requirements. Protect against corrosion and deposits, extend water pump life, and keep your equipment running at peak condition.

### FUEL PROTECTOR

---

Specifically designed for high-pressure diesel fuel systems, John Deere Fuel-Protect Keep Clean improves engine performance and prevents the formation of deposits.

### OIL

---

John Deere offers a range of engine, hydraulic and transmission oil options to best fit your equipment and needs.

### GREASE

---

Save time and money by preventing wear and downtime on your equipment with John Deere's high-quality grease.

### MOBILE OIL PUMP KIT

---

Conveniently store and move oil drums up to 400lb with this mobile oil pump kit. Equipped with a digital oil control valve and meter.

### FILTERS

---

Cervus carries both John Deere and generic brands of filters. This gives you the flexibility to find exactly what you need for all your equipment in one stop.

# *Greater precision, control* **AND DOCUMENTATION**

## **EXACTAPPLY™ RETROFIT KITS**

Get effective coverage and precision at all spray speeds for better weed and pest control while helping you manage potential drift. The John Deere ExactApply™ Intelligent Nozzle Control System retrofit kit is available for all R4030, R4038 and R4045 sprayer models. Retrofit kit includes:

- ExactApply nozzle bodies
- Electrical boom harnessing to power and control the nozzles
- Higher capacity alternator for the machine (for the added electrical power demands)

*People. Power. Service.™*

# TECHNOLOGY NOZZLES

---

## STRAIGHT STREAM CERAMIC

---

**APPLICATION** Liquid Fertilizers, Solid Seeded Crops

## HIGH FLOW

---

**APPLICATION** Pre-Plant Fertilizer, Burn-Down

## ULTRA LOW-DRIFT

---

**APPLICATION** Systemic Herbicides, Pre- & Post-Emerge

## 3D

---

**APPLICATION** Contact Herbicides, Insecticides & Fungicides

## LOW-DRIFT AIR

---

**APPLICATION** Contact Herbicides, Insecticides & Fungicides

## GUARDIANAIR TWIN

---

**APPLICATION** Fungicides & Insecticides, • Complex Canopies

# SPRAYER PARTS

---

## SPRAYER WINTERIZER

---

John Deere's sprayer winterizer fluid is specially formulated to protect the entire wet system of the sprayer. Prevent damage from frost, and frozen parts.

## INCIDE-OUT SPRAY TANK CLEANER

---

Incide-Out is a liquid spray tank cleaner that emulsifies and bonds pesticide residues to rinse water for complete purging.

## ERASE™ SPRAY SYSTEM CLEANER

---

Erase™ is a powerful spray system cleaner that penetrates and removes dried on and oily residue in tanks, sprayer lines and hoses. Its unique formulation of alkalinity builders and detergents work together to minimize the risk of cross contamination.

## SPRAYER PUMP

---

Cervus Equipment carries a variety of pumps to suit your every need. From sprayer pumps to water pumps to fill your tanks, you can find it here.

## ELBOWS, ADAPTERS & FITTINGS

---

Cervus carries fittings, elbows, adapters, end caps and all other sprayer parts from a variety of suppliers.

## EXPRESS™ FLUSH VALVE

---

Quickly flush an entire boom section with the turn of a handle. The compact design fits most booms and easy open and close handle require no tools.

## EXPRESS™ NOZZLE BODY END CAPS

---

Cervus carries fittings, elbows, adapters, end caps and all other sprayer parts from a variety of suppliers.

## FLANGE ADAPTERS

---

Versatile flange adapters enable you to use Express End Caps on 4-series sprayers.

# What's the cost of ONE PLUGGED RUN?

A WORN PART MAY COST YOU MORE THAN YOU THINK

## DON'T LET WORN PARTS AFFECT YOUR BOTTOM LINE

You invest a lot of time and money into a season – is SAVING on maintenance really worth it? Using a John Deere 1870 drill with a 1910 cart, a plugged run would mean a 12" strip missed on every pass.

**REVENUE LOST = \$9.30\***

DUE TO ONE PLUGGED RUN

/ ACRE OF CANOLA

Make sure you're field-ready. Contact your local Cervus John Deere dealership to book your inspection today.

People. Power. Service.™

# AIR SEEDER AND DRILL PARTS

---

## OPENERS AND BEARING KITS

---

Openers come in many shapes and sizes and we carry a variety of options to fit your equipment.

## FERTILIZER KNIVES

---

Cervus carries a wide range of nutrient applicators for all types of equipment. With options for liquid or dry nutrients, we have everything you need.

## SHOVELS AND BOOTS

---

Boron steel point with hard-faced welds are made to withstand any soil conditions and resist wear.

## METER HOUSING

---

Cervus carries long-lasting, corrosion-resistant Romafa meter housing parts for John Deere 1900 & 1910 air carts.

## KANAFLO HOSES

---

John Deere offers 1-in. and 2-1/2-in. hose for air seeder applications. Recommended for heavy-duty suction and discharge of seed, as well as agricultural chemicals, marine and liquid waste.

## OTHER OPENERS

---

Cervus Equipment carries many brands of openers, boots, knives and other parts for your air seeder or drill, including Atom-Jet and Bourgault paired row tips.

## BLOCKAGE & FLOW MONITOR

---

Increasing your access to information is the cornerstone of smarter farming. Used for seeding and dry fertilizer application, the Recon Wireless Blockage and Flow Monitor provides reliable, versatile machine monitoring technology.

**WE CARRY A VARIETY OF AIR SEEDER AND DRILL PARTS AND ACCESSORIES**

Contact your local Cervus dealer to find what you need.

# Introducing PROSERIES™ OPENER RETROFIT KITS

## MAKE YOUR 90 SERIES OPENER BETTER THAN EVER

Designed for the 1890 Air Seeder, ProSeries Opener Retrofit Kits addresses the two key factor, agronomic advantages and extended wear life – includes new and improved:

- Closing spring
- Seed tab
- Press wheel
- Serrated closing wheel
- Seed boot
- Disk blade
- And all associated hardware

Contact your local Cervus John Deere store to find out more. Visit us online at [cervusequipment.com/john-deere](http://cervusequipment.com/john-deere)

People. Power. Service.™

# HAY & FORAGE PARTS

## SICKLE & PICKUP PARTS

Cervus carries all the hay and forage parts you need to keep you in the field – Everything from sickles to knives and pickups.

## HAY MOISTURE TESTER

Easily test bale moisture levels with handheld or mounted moisture testers.

## BALER BELTS

John Deere Diamond Thread baler belts offer superior strength and durability. We carry Diamond Thread, DiamondTough™ and DiamondTough™ Pro belts options.

## PRECUT BALER CHAINS

John Deere precut baler chain is manufactured with consistent pitch, press fit and special factory lubrication.

## COVEREDGE, EDGE TO EDGE, AND XTRATWINE

- Covers 15% more surface area of the round bale than conventional net wraps
- Better in all weather conditions because the end of the bale “snugs” up tight to the next bale
- The asymmetrical striping pattern across the width of the net, ZEBRA® System, gives the operator a very clear ‘left-right’ indicator when loading the net into the baler
- Contains a visible Roll End warning stripe, which shows the end of the roll is approaching
- Every roll contains the guaranteed stated length, not a “plus-or-minus” average

# Complete inspection EVERY TIME

WE DON'T LIMIT OURSELVES TO POINTS

## CERVUS UPTIME GUARANTEE

We offer a FIRST-SEASON UPTIME GUARANTEE on all Cervus Inspection repaired S-Series Combines. For customers who complete 100% of the recommended repairs, you can rest easy knowing that should a problem arise in your first season of use, we'll fix it within 24 hours or provide equipment on loan until yours is repaired. Loaned equipment will be provided at no additional cost.\*

\*Valid only if all recommended repairs are completed by our technicians. Some conditions may apply, see dealer for details.

*More value to* **YOUR INSPECTION**

All Cervus Inspections come with a 12 month/unlimited hour installed parts warranty from the date of first use. Cervus Equipment John Deere offers you this warranty, free of charge.

S-Series Combine

# COMBINE PARTS

## FEEDERHOUSE CHAIN

Use the John Deere-recommended feederhouse chrome-pin chain. It offers more than 30-percent longer wear than regular chains. Plus, John Deere chains can be adjusted from both sides of the feederhouse.

## GRAIN MOIST KIT

This non-compaction grain tester features a direct readout for 20 different grains without pre-weighing.

## CROP CATCHER

Make every bushel count by adding the Michel's Crop Catcher II to your header.

## LITENING BOLT™ KNIVES

Litening Bolt™ Sectional Knives are easier to transport and replace smaller sections than the long cutterbars which saves you time and money when doing repairs and maintenance.

## SUNNYBROOK BOX STYLE CONCAVES

Manufactured to fit into the OEM STS pocket without modifying the combine, the Box style concaves from Sunnybrook allow the owner to customize threshing to crop needs. This design also reduces the cost of damage from stones or other debris, as only the damaged segments need be replaced.

**MINIMUM THRESH**  
Canola

**MAXIMUM THRESH**  
Wheat/barley

**21 HOLE**  
Standard

**ROUND BAR**  
Peas/beans, corn

# Save time and make REAL-TIME DECISION

## ACTIVEYIELD™ RETROFIT KITS

Put time-consuming manual calibrations behind and get continuous, automatic calibrations while harvesting. The John Deere ActiveYield™ retrofit kit solution utilizes sensors that monitor the weight of the grain in the tank as it fills to allow your combine to continually calibrate the yield system.

The ActiveYield retrofit kit is suitable for wheat, barely, canola and is available for 2012 and newer S-Series combines.\*\*

\*\*Excluding S660 and S760 combines with manual grain tank extensions.

People. Power. Service.™

# GATOR PARTS

---

## CARGO BOX

---

Protect your tools and supplies from the elements with a sealed cargo box.

## WARN® WINCH

---

Pull yourself out of any situation with a Warn Winch. Includes roller fair lead to prevent cable binding, plus a 12-ft. lead and water-resistant remote control for operation at a distance. Warn® is a registered trademark of Warn Industries, Inc.

## POLY CAB

---

Outdoor enthusiasts can get four-season weather protection with this rear panel and door kit for the OPS Poly Cab. Requires the OPS Poly Roof – Black and one of the following windshields: OPS Full No-Scratch Windshield or OPS Glass Windshield with Wiper.

## LED WARNING LIGHTS

---

Increase your visibility by installing LED Warning lights. LED lights last longer, are brighter and help keep you safe and seen.

# LAWN & GARDEN ATTACHMENTS

---

## MOWER PARTS

---

Don't let your mower go dull. Cervus carries top of the line mower blades and belts to keep your equipment sharp.

## WORK LIGHT KITS

---

Increase productivity and visibility with front and rear work light kits for your compact utility tractor.

# STIHL PRODUCTS

## CHAIN SAWS

- High performance battery and gas-powered chainsaws
- Ergonomic, low weight design
- Wide range of sizes and power levels

## TRIMMERS & BRUSHCUTTERS

STIHL has many options to suit the needs of your yard or outdoor space. Ranging from small handheld hedge trimmers to long pole pruners and with battery, electric or gas-powered options available.

## YARD BOSS

The MM56 is the ultimate multi-tasking tool. Coming standard as a cultivator, it easily transitions to any of its eight optional attachments.

## LEAF BLOWERS

- Sleek and ergonomic designs that deliver reliable performance
- Lightweight design perfect for cleaning up clippings, debris and leaves
- Exceptional high air velocity

## APPS

### JD APP CENTER

The John Deere App Center is a tool to search and organize John Deere apps to help you get more out of your equipment.

### MYOPERATIONS™

Take remote management of your field operation and equipment to the next level with John Deere My Operations™ – evaluate your expected and actual machine utilization and job execution performance.

### SOLUTIONSPUS

Used to support, configure and enable the functionality of select John Deere precision technology to send agronomic data from the machine to applications.

### APPLYPLUS

Optimize your 4 Series Sprayers through proper set-up and maintenance procedures as well as quick reference overview of key adjustments, maintenance and operations for R4023, R4038 & R4045 sprayers.

### SEEDPLUS™

Previously called GoSeed, SeedPlus™ allows operators of John Deere 1870, 1890, 1895 air drills and 1910 air carts to optimize their machine as they enter the seeding season.

### GOHARVEST

For John Deere S, W and T series combines newer than 2012, the GoHarvest app is useful in suggesting initial settings for specific crops, provides guidance for setting changes as conditions change.
